महोदय,

This has reference to the above referred communications and discussions we had in MNRE, it is requested to furnish the following information urgently:

- Final  
Letter -  
Cont. |
- 1) Monthly Progress Report for the Projects under execution under Defense Scheme. It is to be noted that the Projects must comply with the Technical Requirements and DCR criteria as mentioned in the scheme guidelines.
  - 2) Relevant Head of Account for release of VGF amount.
  - 3) As discussed in the meeting "Due to more than 100 locations across the country and difficult to visit each site, MES may claim the VGF amount on commissioning of the projects". MES is requested to confirm on the same so that SECI can review the "Existing Checklist" and modify it accordingly as a very special case for Armed Forces.
