APPROVAL OF PRODUCT

1. M/s Coffor Construction Technology Pvt Ltd. has approached this HQ for approval of their product manufactured using “Structural Stay in Place Formwork System” to build “monolithic concrete structures” for use in Defence Works.

2. In terms of Policy letter No A/37696/12-114/Pol/E2W (PPC) dt 05 Jun 2015, approval is hereby accorded for the above mentioned product manufactured by the firm using new technology sourced from the factory/registered addresses given below and used/erected as per manufactures instructions, on trial basis for limited use for structures like drain & compound walls in Defence Works for a period of two years i.e. upto 07 Aug 2022.

3. Further continuation of the approval of product shall be decided, thereafter, based on the mandatory feedback/performance report submitted by Zonal Chief Engineers. In case any formation using the product notices any defect/discrepancy, the same will be reported immediately without waiting for the expiry of the period of two years.

4. The approval does not absolve the executive/supervisory staff from their responsibility for using correct quality product. It is only after they are satisfied about the quality and the performance, the product will be used. Mandatory checks about the quality will be carried out as laid down and the records of the same maintained.

5. At the time of renewal, the firm is required to submit details of sales/supply of approved products to MES Contractors/Formations/Units as per format given below alongwith minimum five number performance reports from MES failing which their approval shall not be considered for renewal. MES units using the product are requested to issue performance report when approached by the firm duly signed by the GE and countersigned by the CE/ CWE.
