## MESSAGE

I am delighted to learn that the Corps of Engineers is celebrating its 243<sup>rd</sup> Corps Day on 18<sup>th</sup> November, 2023. I extend my greetings to all dedicated serving personnel as well as Ex-servicemen of the Corps and their families.

The Corps of Engineers is replete with saga of courage, fortitude and dedicated service to the nation. True to its motto 'SARVATRA', the Corps has remained at the forefront of all activities - be it operational tasks infrastructure development, aid to civil authorities or nation-building. It has successfully completed numerous infrastructure projects for all three Services by employing cutting edge techniques that adhere to international standards. I wish the Corps to achieve success and glory in the years to come.

On this special occasion, I extend my good wishes to all personnel of the Corps of Engineers and their families.

"Jai Hind"
