List 'A' & 'B'

FEEDBACK ON TENDER AMOUNT FOR SEWER NETWORK AND STP

1. As on date the AEs for sewer network and STP are being priced based on ED-2016. The ED-2016 does not include cost on Online Continuous Monitoring System (OCEMS) as per recent policy issued by this HQ. Also, erstwhile VAT/ present service tax is also not included in pricing of STP and sewer network. Therefore, it is felt to take feedback/ data from various MES Fmns regarding cost of accepted tenders for sewer network and STP (of various capacity and technology) for last three years.
2. In view of above, it is requested to provide data of accepted tenders by all the CE Zones for sewer network and STP as per format given below:-

(a) **Sewer Network.**

S e r N o	CA No, Name of work & Dt of Acceptance of CA	AA amount reserved for Sewer Network (Lakhs)	Cost of Tender Accept -ed	Total Length of Sewer Network (mtr)	Depth wise length of sewer network for each dia pipe (in meter)				Type of Pipe (NP3/ DI/ DWCPE)	No of Manho- les of various depth	R e m a r k s
					0.7 to 1.65 (mtr)	1.65 to 2.3 (mtr)	2.3 to 4.5 (mtr)	4.5 to 6 (mtr)			

(b) **STP.**

S e r N o	Job/ CA name & Dt of Acceptance	AA amount reserved for STP (Lakhs)	Capacity of STP and Technology (KLD)	Cost of Acceptance for STP only (Lakhs)	Whether OCEMS included in CA (Yes/ No)	Amount of M&O per year for STP	Remarks
-----------------------	--	--	---	--	--	---	---------

3. It is informed that if the tender for Sewer network and STP is unified, then separate costing as quoted by contractor be worked out for sewer network and STP. Various overhead items like cost of pump house, Road, path and culvert, External Water supply, Electrical est, Compound wall shall not be included in cost of STP. The above required data be forwarded to this HQ by 01 Jun 2024 positively.

4. Forwarded for information and necessary action.
