Enlisting authority reserves the right to modify the eligibility criteria, to decide on cut off date of implementation, to accept or reject any application, to reject any / all applications or accept new applications at any time, without assigning any reason or incurring any liability to the applicants. Such modification will be made available on MES website www.mes.gov.in.

Cancellation of Enlistment

17. The enlistment of consultant shall be cancelled in case of their poor performance, abandoning of the allotted work, abnormal delay in completion of work, bankruptcy and for activities detrimental to the interest of MES department. While attempt will be made to seek views of the concerned firm/ consultant as far as possible with regard to any such shortcomings/ observations, the decision of enlisting authority in this regard shall be final and binding on the consultant.

18. The consultant / firm shall not effect any change in the constitution of the firm or in its name without prior notice to this office. Any such proposal shall be submitted in advance, furnishing full details of the proposed change along with all supporting documents. This will be followed up by a certificate from the Registrar of Companies notifying the changes, in case of non proprietary firms. Any change in the constitution or name of the firm /company without prior information will render the consultant / firm liable for removal from the approved list of consultants. In case the original partners/ constitution change by more than 50% either due to substitution or due to retirement or death, the enlistment of the firm/ consultant by that name shall be cancelled.

CONCLUSION

19. Enlistment of consultants for MES is an important aspect for maintaining a databank of expert consultant and to facilitate timely meticulous planning of works in MES. The complexity of planning and designing in diverse fields necessitates enlistment of consultants with suitable expertise in all relevant fields. This SOP lays down specific guidelines for enlistment of consultants, while giving flexibility to lower MES fmns. It is desirable that the provisions be enforced in letter and spirit to ensure efficiency and transparency.
