

MILITARY ENGINEER SERVICES
NOTICE OF TENDER

1. A tender is invited for the work (See Main NIT).
2. The work is estimated to cost (See Main NIT). This estimate however, is not a guarantee and is merely given as a rough guide and if the work costs more or less, a tenderer will have no claim on that account.
3. The tender shall be based as mentioned in main NIT. The work is to be completed as per the period (See main NIT) in accordance with phasing if any indicated in the tender) from the date of handing over the site which will be on or after as mentioned in main NIT.
4. Normally contractors whose names are borne on the MES approved list for the area in which the work lies and within whose financial category, the estimated amount would fall may tender but in case of term contracts in categories 'SS' to 'E' may tender. In cases where the tendered amount is in excess of the financial category whether or not the estimated amount was within the financial category of the contractor, the Accepting Officer reserves the right to accept the tender in which event the tenderer would be required to lodge additional security deposit as notified by the Accepting Officer in terms of conditions of the contract.
5. Contractors whose names are borne on The MES approved list of any MES formation and who have deposited standing security and have executed standing security bond may also tender without earnest money along with the tender such tenderer would be required to deposit security deposits notified by the Accepting Officer. Not more than one tender shall be submitted by one contractor or one firm of contractor. Under no circumstances will a father and his son (s) or other close relations who have business dealing with one another be allowed to tender for the same contract as separate competitors. Breach of this condition will render the tenders of both parties liable to rejection.
6. Applications for the tender forms must be submitted to the Garrison Engineer (AF) Thanjavur so as to reach this office on or before (See Main NIT).
7. Tender forms and conditions of contract and other necessary documents (together with addressed envelopes to be used for the return of tender forms and other documents) will be issued on and after (See Main NIT). The appropriate standing security amount for the work shall be deposited by contractors enlisted in the area in which the work lies for category (See Main NIT).
8. Submission of bids for the tender does not constitute any guarantee for consideration of tender/bid of the applicant, even of enlisted contractors of appropriate class. The applicant contractor shall not become automatically entitled for considering the tender/bid by virtue of enclosing copy of demand draft along with application. The Accepting officer shall reserve the right to deny considering the financial bid of tender to any applicant contractor. Firms to be considered for financial bid will be decided by the Accepting officer based on interalia experience of similar works executed by the applicant/contractor. The Accepting officer shall consider tender/bids received up to date of receipt of applications/extended date of receipt of tender/bids. The applicant/contractor, if so desires, can appeal to the next higher Engineer authority with copy to the Accepting officer. No appeal/representation shall be entertained in respect of applications for consideration of tenders/bids as received after the due date of receipt of application/extended date of receipt of tender/bids. The decision of the next higher engineer authority should be final. No applicant/contractor shall be entitled for any compensation whatsoever or rejection of his application.
- 8.1 In case of contractor who has not executed the standing security bond, the tender/bid shall be accompanied by the earnest money (See Main NIT) in the form of deposit at Call Receipt in favour of Garrison Engineer (See Main NIT) by Scheduled Bank or receipted treasury Challan the amount being credited in the revenue deposit of the Garrison Engineer. A contractor who is not enlisted for the area in which work lies but whose name is in the MES approved list of any MES formation and who has deposited standing security and executed standing security bond may tender without depositing earnest money along with the tender. If the tender submitted by such a contractor is accepted, the contractor shall lodge "Individual Security Deposit" within 30 days of the receipt by the contractor of notification of acceptance of his tender, failing which this sum shall be recovered from the first RAR payment or from the first final bill.

NOTICE OF TENDER (Contd.../-)

- 8.2 The Garrison Engineer (AF) Thanjavur will be the Accepting Officer here-in-after referred to as such for the purpose of this contract.
- 8.3 A contractor who has executed the standing security bond but not for the appropriate category as mentioned above shall lodge with the Garrison Engineer (AF) Thanjavur additional security deposit as notified by the Accepting Officer within thirty days of the receipt by him of notification of acceptance of tender, failing which, this sum will be recovered from 1st RAR payment or from the first final bill in case of term/running contract. However in cases where any payment is made to the contractor within thirty days of receipt by him of notification of acceptance of tender the amount of additional security deposit shall be recovered from such payment.
- 8.4 Garrison Engineer (AF) Thanjavur will return the earnest money wherever applicable to all unsuccessful tenderers by endorsing authority on the deposit receipt for its refund, on production by the tenderer of a certification of the Accepting Officer that a bonafide tender (vide Condition 14 below) was received and all documents were returned.
- 8.5 Garrison Engineer (AF) Thanjavur will either return the earnest money to the successful tenderer, by endorsing an authority on the deposit for its refund, on receipt of an equal amount of security deposit or will retain the same on account of security deposit, if such transaction is feasible.
- 8.6 Copies of the drawings and other documents pertaining to the work (Signed for the purpose of identification by the Accepting Officer or his accredited representative) and samples of materials and stores to be supplied by the contractor will be open for inspection by the tenderers at the office (See Main NIT) during office working hours.
9. The tenderers are advised to visit site by making prior appointment with the Garrison Engineer (AF) Thanjavur in sufficient time. A tenderer shall be deemed to have full knowledge of all relevant documents, samples, site etc. whether he has inspected them or not.
10. Tenders will be received by the Garrison Engineer (AF) Thanjavur online till **13 Dec 2018 upto 1800 hours** (See Main NIT).
11. Any tender which proposed any alterations to any of the conditions laid down or proposed any other conditions of any description whatsoever is liable to be rejected.
12. The submission of a tender by a tenderer implies that he has read this notice and the conditions of contract and has made himself aware of the scope and specifications of work to be done and of the conditions and rates at which stores, tools and plant etc., will be issued to him and local conditions and other factors bearing on the execution of the work.
13. Tenderers must be in possession of copy of MES Schedule of Rates 2009 Part-I and 2010 Part-II including errata/amendments thereto.
14. Tenderers must be very careful to submit a bonafide tender. A bonafide tender must satisfy each and every condition laid down in this Notice. Refer the help for contractors in "eprocuremes.gov.in site".
15. The Accepting Officer does not bind himself to accept the lowest or any tender or to give any reasons for not doing so.
16. This notice of tender alongwith main NIT shall form part of the contract.
