Introduction

The process of getting enrolled in NIC services depended on paperwork, however, with rapid technological changes, the process filling forms online came into existence. Earlier with paperwork, applicants had to fill manual forms that got through different levels of processing that eventually was a time-consuming process and it was difficult for the applicants to track the status of their own application. With eForms, this process has become automated and the entire process, right from filling forms to availing services.

Purpose

The purpose of this document is to provide you step by step instructions on how to fill the form avail the service.

Scope

This manual is meant for Ministries/Departments and States/UT’s applicants who are willing to avail NIC services.

The services which are offered by NIC are as follows:

<table>
<thead>
<tr>
<th>S.No</th>
<th>Name of the Services</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Email Subscription</td>
</tr>
<tr>
<td>2</td>
<td>Authentication Service (LDAP)</td>
</tr>
<tr>
<td>3</td>
<td>Distribution List Service(@ismgr.nic.in)</td>
</tr>
<tr>
<td>4</td>
<td>Enable IMAP/POP</td>
</tr>
<tr>
<td>5</td>
<td>IP Change Requests</td>
</tr>
<tr>
<td>6</td>
<td>SMS service</td>
</tr>
<tr>
<td>7</td>
<td>SMTP Gateway Service</td>
</tr>
<tr>
<td>8</td>
<td>Update Mobile Number</td>
</tr>
<tr>
<td>9</td>
<td>WiFi Services</td>
</tr>
<tr>

Authorship

This manual has been written by Messaging and SMS division, National Informatics Centre, Ministry of Electronics and Information Technology, Government of India.
Features

- SMS and Email notification to all the stakeholders on any movement of the request or any modification request.
- Track facility to track the current status and past movements of the request.
- Applicant and Reporting Officers can digitally sign the requests.
- Intelligence to alert approving authority while approving any suspicious request.
- Intelligence to stop suspicious users.
- Custom Workflow for different services.
- Multi-department integration through web-services for seamless data sharing.
- Single click for ID creations and closure of the different services.
- Dashboard to all stakeholders to view approved, forwarded, submitted, rejected, pending and completed requests.
- Filter and Search facility to search and filter the requests on the basis of service, applicant’s email and status of the requests.
- Raise/Interactive Chat features between stakeholders for them to interact among each other.
- Generate PDF facility to generate PDF of the request dynamically.
- Download/Upload multiple documents facility to upload/download ID proofs or any other related documents.
- Preview facility to preview the form before approving/submitting it.

Portal Workflow

Portal Workflow is an introductory video about the eForms.
Services Tab

Provides brief introduction of the on-boarded services as shown below:

In-Focus

GEM(PSU)
GEM(PSU) users must select GEM Subscription option in email service for creating the Email ID's.

Compatibility
The site can be best viewed in the latest version of Chrome, Firefox, Safari, Opera, Internet Explorer (11 +).

User Manual
For any assistance regarding this application please Download eForms Manual.
Feedback

Users can provide us with feedback/queries about the eForms.

HOW TO REGISTER?

1. You can open eForms from the URL https://eForms.nic.in
2. You will now see the home page of eForms.
3. Click on login button given on the top right corner of the home page, as shown below,
4. Now, login to the portal using your credentials (you can use either NIC/Gov email address or any other alternate email address).
Login Type: Government Login Account

Shown below are 2 screenshots of how a login for a Government email looks like.
LOGIN CONSOLE (Non-Government Login)

- Login Type: Non-Government Login Account

Shown below are screenshots of how a login for a Non-Government email looks like.

**Step 1: Email Input Text Area**

- Enter Your NIC/GOV or Alternate Email ID
  - Example: ********@gmail.com
- CONTINUE

**Step 2: Read Instruction carefully.**

- You may register only for the following services:
  - Email Service
  - VPN Service
  - Security Audit Service
  - e-Sampark Service
  - Cloud Service
  - Domain Registration Service
  - Firewall Service
  - Reservation for video conferencing Service
  - Web Application Firewall services

To register for other services, please log in with your government email service(NIC) email address.

**Step 3: Enter OTP and verify the “Captcha” code.**

- Enter Your Mobile OTP (Update Mobile?)
  - Example: +91XXXXXXXXXXXX
  - OTP has been sent on +91XXXXXXXX525
- Enter Your Email OTP
  - Please Enter OTP sent to your Email Address
  - Example: ********@gmail.com
  - Resend mobile otp | Resend email otp | CONTINUE
First time User:

1. If you are an applicant who is using the portal for the 1st time, you will be prompted with a window that would ask for your email address and you can click on submit. A new window will appear which prompts to enter the applicant’s mobile number. The OTP will be sent to the given email address and mobile number both. The user can use either of them or both, to login to the portal.

2. After submission, a new profile page will appear. The applicant will have to fill the complete personal as well as organizational information on the profile page to proceed further.

3. The personal information includes fields like:
   - User name
   - Employee code
   - Mobile number (which will be auto-filled)
   - Email address v. Telephone number (O/R) in the format mentioned
   - Designation
   - Official address
   - The state posted (select from the drop-down)
   - District name
   - Postal address

4. Click on continue to proceed. Enter your organizational information to register your profile in eForms portal. The details to be submitted include fields like:
   - Organization category
   - Ministry/Organization
   - Department/Division/Domain

5. Reporting/Nodal/forwarding officer email (If the applicant is a NIC employee the details of the reporting officer can be edited by sending a request to NIC OAD division)
   - Reporting/Nodal/forwarding officer Name
   - Reporting/Nodal/forwarding officer Mobile
   - Reporting/Nodal/forwarding officer Telephone
   - Reporting/Nodal/forwarding officer Designation
If you are an EXISTING USER

1. The applicant will login using the credentials (NIC/Gov email address or any alternate email address). The email address from which the applicant logs in to the portal, already exists in our database. Hence, it will display the registered number on which the OTP will be sent for login.

1.1. Enter the OTP received on the mobile number and click on continue. In any case, if you haven’t received the OTP you can click on “Resend OTP”, you will receive another OTP, which you can enter and click on continue to proceed further.

NOTE
The domain of the email address of the reporting officer should have @nic.in/@gov.in or any other government sub-domains like @cbi.gov.in, @csir.res.in, etc.). If the reporting officer’s email address is a non-government domain (e.g. @gmail.com/@yahoo.com etc.) the process will become manual (which is explained further in this manual) for that particular case.

2. The eForms portal has made it mandatory for applicants to have a permanent profile to be created and saved so it is pre-filled in the registration form of NIC services.

3. The reporting officer’s details will be saved and if you are a NIC employee the details of the reporting officer will not be edited. You will have to send an email to eForms@nic.in to update your reporting officer’s details. Please refer the screenshots given below for reference.

Home Page

Once the applicant log’s in, he/she will be able to view a page where there will be many options available. Here are the options mentioned below: -

Dashboard

Dashboard provides user a glimpse of the type of information one can see depending on the role and rights of the user. Apart from this feature, Dashboard provides information about all the services available (Discussed below) as well as total user request, pending requests in any, total pending request, Total request completed.

Dashboard Panel: Once you will login in to dashboard, you can easily see the type of role one is assigned on the left on the panel, as shown in the diagram.
Types of Dashboard

1. **User Dashboard/ My Request**: Also known as “My Request” shows the number of forms that you have filled with the status. You can anytime take the following actions on your request like Preview/Edit, Reject or track. The applicant can also track his application status by the SMS or email received. There is a tracking link that is sent via both email and SMS to the applicant’s registered email address or mobile number. For other Types of dashboard, all the details are mentioned below.

2. **RO Dashboard**
3. **CO Dashboard**
4. **Support**
5. **Admin**
6. **Dedicated Admin**
6. Delegated Admin

To understand the difference between each dashboard and how positions within the eForms operate it’s important to know role and objectives of each.

1. **Role of Applicant:**

The applicant will fill the form using eForms portal. If the email address of the applicant through whom he is trying to login to the portal is of a non-government domain, it will be prompted to enter the mobile number on which OTP will be received. Also, OTP will be sent to both email addresses and mobile numbers.

1.1. The new user can authenticate using either the OTP’s or any one of them. However, after the final submission of the profile, it will be prompted to authenticate using the OTP sent on the mobile number/email address.

1.2. The applicant will fill the profile information on eForms portal which will include the details like personal and organizational information. In the organizational information, if the applicant’s reporting officer’s email address is a government domain, in this case, the process becomes online. The applicant will fill the form and after submission will be asked for three options:

1.2.1. E-sign the document with Aadhar.
1.2.2. Proceed online without Aadhar.
1.2.3. Proceed manually by uploading the scanned copy

The online process of eforms portal depends on the email address of the reporting officer. If the reporting officer of the applicant is a government employee whose email address ends with a government domain and exists in our database, in this case, the process of submission of online forms becomes online. This is irrespective of the applicant’s email address.

2. **Role of Undersecretary/JS/Secretary:**

If the email address of the reporting officer is a non-government domain (eg: @gmail.com, @yahoo.com, etc.), the requirement to fill the details of Undersecretary/JS/Secretary becomes mandatory.

2.1. Once the applicant fills the registration form, the same will be forwarded to Undersecretary/JS/Secretary for approval. A link to accept or decline requests along with the details of the applicant will be sent to the undersecretary/JS/secretary email address (as mentioned in the profile of the applicant) and mobile number.

2.2. This link is valid until 7 days, after which it will expire and the application form will be rejected automatically. After the confirmation of undersecretary/JS/secretary, the form will be forwarded to the concerned NIC coordinator/Delegated administrator for further action.
3. **Role of Reporting officer:**

   If the reporting officer’s email address is a government domain (exists in our database), then the application filed by the applicant will be forwarded to the concerned reporting officer. Once the application form is submitted by the applicant, an email confirmation sent is to the reporting officer’s email address stating to take necessary action against the request. The reporting officer will login to eForms portal, using the credentials as mentioned in the email (i.e. login id), enter the OTP sent to your registered mobile number and proceed.

   **3.1.** After login a dashboard will appear, in which all the requests pending or completed by the reporting officer will be visible. Apply filter on the listed service and click on the action button in front of the registration number. The following actions can be performed by the reporting officer:

   - **3.1.1.** Preview/Edit
   - **3.1.2.** Approve
   - **3.1.3.** Reject
   - **3.1.4.** Track
   - **3.1.5.** Generate Form
   - **3.1.6.** Upload scanned form
   - **3.1.7.** Upload multiple docs
   - **3.1.8.** Download multiple docs
   - **3.1.9.** Download docs uploaded by the user
   - **3.1.10.** Raise/ Respond to query

   After the action by the reporting officer, the request will go the concerned delegated administrator/NIC coordinator of the applicant’s Ministry/Department/State.

4. **Role of NIC Coordinator:**

   In the manual process, after the approval by undersecretary/ JS/secretary, the form will be forwarded to the concerned NIC Coordinator/Delegated Administrator for approval. The NIC coordinator can download the form uploaded by the applicant. The coordinator can also respond to various queries raised by the applicant. There is a provision to download the uploaded documents. The coordinator can perform various actions like:

   - **4.1.** Preview/Edit
   - **4.2.** Reject
   - **4.3.** Generate Form
4.4. Upload/Change Scanned form

4.5. Download uploaded form

4.6. Raise/ Respond to query

5. Role of Support:

- Support team plays one of the most vital roles in the process of approval and rejection of an application. The role of a support also comes with a privilege where they can choose or add a DA, Coordinator and even an Admin.

- Support with the help of App ID (Registration #) can easily track the status of the application right from the beginning.

- It also has a special role where Support can use Search Functionality based on keyword and role of a person on the bases of their name. Once the search is complete, Support team can see all the forms which are filled by the searched name.

6. Role of Admin:

- Admin Panel is more like the closing panel where the final stating of the eForm takes place.

- The user in the last process once closed receives a username and password which is created by the admin panel.

7. Delegated Admin:

The states that have been given the delegated administrator console will be responsible of creation of email accounts after the approval from reporting officer.

7.1. Any modification or deletion in the email address of the applicant will be done by the DA’s using the DA console given to them. The DA console is accessible only through VPN.

7.2. If the user has any query regarding the email account creation he/she may contact the delegated administrator directly.

7.3. Administrators which have been delegated to manage accounts of a particular department/organization.

7.4. It gives independence of managing their respective accounts under their own business organizations (BO’s).

7.5. These administrators can create, delete, activate, deactivate accounts, can manage the size of mailboxes of a particular user of their department, can enable/disable IMAP and POP, can change the password etc.

7.6. The delegated administrative console is given to organizations which are using e-mail services of NIC under free/paid categories.
### About Manual and Online Process

There are 2 possibilities in which the user can fill the form:

1. **Manual process:**
   If the applicant has created a profile on eForms and has given the email address of the reporting officer as a non-government domain (e.g. @gmail.com/yahoo.com etc.), in this case, the process becomes manual for the applicant.

#### Prerequisites for new users

- The form consists of personal as well as organizational information. The applicant will have to fill all the fields marked with a * (mandatory) sign.
- If the email address of the reporting officer is of a non-government domain, the applicant will have to provide the details of undersecretary/JS/secretary (Name, email address, mobile number, landline number, and designation). A link will be sent to undersecretary and above for approval or rejection of the application form’s
- This link will be sent to the email address mentioned in the profile information and will be valid for 7 days. If the link expires the application form will be automatically rejected and the applicant will have to apply again using eForms portal.

#### Prerequisites for Existing users

- If the applicant has already created a profile on eforms portal, and the email address of the reporting officer is a non-government domain, the applicant will have to provide the details of undersecretary/JS/secretary in the profile.
- The registration form will be filled by the applicant, it will be sent to the concerned undersecretary/JS/secretary for approval (a link and SMS will be sent to the registered email address and mobile number of undersecretary/JS/Secretary).
- Once the application form is approved by the official it will be forwarded to the concerned NIC Coordinator/Delegated Administrator for necessary action. The final action is taken by the admin for the request submitted by the applicant and approved by the NIC coordinator/DA. The applicant will receive a message once the request is completed/ rejected by the admin.

### The Online Process of eForms

In the online process of eforms user has three options namely:

1. E-sign the document with Aadhar Card
2. Proceed online without Aadhar Card
3. Proceed manually by uploading the scanned copy
The applicant can use any one of the options as per the convenience.

If an applicant is a NIC employee, the details of the reporting officer remains non-editable. In this case, the NIC employee will send a request to eforms@nic.in for change of reporting officer details.

1. The Manual Process of eForms

- The applicant will fill the registration form; after the final submission of the form the applicant will be directed to download the form (PDF file). The downloaded PDF form can be uploaded using the dashboard of the user module.

- Click on “My Request” option on the left pane of the dashboard, you will be able to view the request submitted by you.

- Select the service for which you wish to upload your documents and apply the required filter.

- Click on the request for which you want to upload the form and then click on “Action” button, you will see a drop-down menu in which multiple options are present, click on upload/change scanned forms and select the downloaded form from your PC/Laptop.

- The file size of the (.pdf) file should be less than 1 MB in size. Click on upload once you have chosen the file. Your form will be uploaded successfully. You can also upload the supporting documents along with the form, just click on “upload multiple docs” option, browse the document from your PC/Laptop and click on upload, the documents will be uploaded successfully. However, if the applicant wants to verify the documents, there is an option to download the documents as well.
An applicant can also track the status of the application form by switching to the dashboard, click on “My Request”, select the service from the list and then click on the action button in front of the registration form number which you want to track. The pop-up window will display the details like application reference number, applicant’s name, email, mobile, applied date. It also displays, whether the applicant is an online/manual user and to which step the application form has been reached along with the full timestamp. The action button displays the following options for the applicant:

- Preview/Edit
- Reject
- Track
- Generate Form
- Download scanned form
- Upload multiple docs
- Upload/Change scanned form
- Download uploaded docs
- Raise/Respond to query

**NOTE:** The form can be edited any time by the applicant till the form finally reaches the next level, i.e. reporting officer.
Our Services Tab

This option displays the list of online forms available in eForms portal. The applicant may choose any of the services as per the requirement.

Authentication Services (LDAP)

Steps to be followed for Authentication Service (LDAP) Subscription

1. Enter https://eForms.nic.in on your browser.

2. Login using your credentials and create your profile on the portal (in case you are a new applicant) else, proceed further with your request. On the left-hand pane of the portal click on the “Authentication Services (LDAP)” form.

3. You will be prompted to fill the fields mentioned below:
   a. Name of the application
   b. Application URL
   c. IP1 from which you will access LDAP Server (mandatory field) - If you don’t know your IP, click on “know your IP” and proceed further. You can add at least 2 IP addresses from which you will access LDAP server. The format of IP address is xx.yy.zz.aa (e.g.: 10.10.10.10).
   d. IP2 from which you will access LDAP Server (optional)
   e. Domain/Group Of People who will access this application
   f. Server Location- Select from the drop-down list
   g. Is the application enabled over https: (select YES/NO)
   h. Is the application security audit cleared: (Select YES/NO) - If you select “Yes” you will have to upload the security audit certificate, and if you select “NO” then the LDAP certificate would be available for 1 month, that too for specific id's only.
   i. The application should have a Security audit clearance certificate, the file should be in PDF format and the size should be less than 1mb.

4. Ensure that the application is enabled over https. There is no option for selection of NO as it is mandatory for the application to be enabled over https:

5. Enter the “Captcha” value to proceed with the preview and submission of the form.

6. You can edit the form before the final submission. Your form will be forwarded to the respective reporting officer as mentioned in your profile information for necessary action.

7. The application can be processed in two ways:

   7.1. Proceed online without Aadhar (In this process the form will be sent to the concerned reporting officer for approval, after which the form will be forwarded to the respective NIC)
7.2. The admin will then process the request and a confirmation SMS and email will be sent to the applicant with the credentials or with information that Wi-Fi has been enabled on your device.

7.3. Proceed Manually (In this process you will have to download the form and proceed. The process in the section ("About Manual and Online Process")

8. You will be shown the prerequisite of integration and checking of LDAP authentication for your application.

9. Click on YES if you are able to do telnet the LDAP server else click on NO. Follow the steps as mentioned in the figure given below.

11. You can submit the form and will receive a registration number to track your form.
Distribution List Services

After login into eForms portal, you will see the list of services on the left panel.

1. Click on the Distribution List form to proceed with your request.
2. Read the instructions carefully given while filling the form.
3. Enter the name of the list which you want to keep. Please note append @lsmgr.nic.in after the list name. Now enter the description of the list.
4. You can also assign a moderator to the list who will be responsible for any action taken on the list or click on No if you want the list to be open for all the list members.

5. Also select whether the list is temporary, if yes mention the validity date.
6. Also, specify whether only the members are allowed to send mails to the list or not. Make the selection appropriately as per your choice.
   i. Your list will be created and the applicant will be notified by SMS and email which will be sent to the respective email address and mobile number.

7. Now if you are the moderator of the list, then enter the moderator name, email address, and mobile number. Enter the Captcha to preview and submit the form.

8. The form will be submitted and will be sent to the reporting officer for necessary action.

9. The application can be processed in two ways:
   i. Proceed online without Aadhar (In this process the form will be sent to the concerned reporting officer for approval, after which the form will be forwarded to the respective NIC coordinator/Delegated Administrator for necessary action. The admin will then process the request and a confirmation SMS and email will be sent to the applicant with the credentials or with information that Wi-Fi has been enabled on your device.
   ii. Proceed Manually (In this process you will have to download the form and proceed. The process is mentioned in the section (“About Manual and Online Process of eForms Portal”).
DNS Services

1. Open the URL https://eForms.nic.in.
2. Enter the credentials and login to the portal.
3. On the left pane of the page click on DNS service option.
4. You will see two options on the dashboard, DNS User Subscription (Manual Entries) and DNS Bulk Subscription Through (File Upload).
5. Read the instructions carefully before filling the form. Fill all the mandatory fields marked with (*).

DNS User Subscription (Manual Entries):

- Make your selections, if your request is for New, Modify or Delete DNSentry.
- Enter the domain name, CName (Canonical Name) and IP Address. A user can enter multiple IP addresses by clicking on the "+" sign.
- Enter the web server location (only alphanumeric, white space and., #/ () are allowed).
- Select record addition and check the checkbox for MX, PTR, TXT, SRV, SPF, and DMARC.
If you have made the selection as MX, then the request will be sent to MR. Rajesh Singh (rajesh.singh@nic.in)/Mrs. Rajeswari (rajp@nic.in) for approval.

For other additions, the request will be sent to the Admin for necessary action.

Enter the Captcha and click on preview and submit.

You will view the preview of the form. You have the option to edit the form, only the organizational detail and new request DNS entry details are editable. Click on “agree the terms and conditions” and submit the form.

You will see a confirmation window, which will display the details of your reporting officer, click on Yes to proceed or click on No if you are unsure about the submission of the form.

If you have clicked “YES”, select the form submission type from the option shown and proceed further.

You can select the following options to proceed:

- E-Sign the document with Aadhar- Enter your Aadhar details to e-sign the document for verification.
- Proceed online- This will automatically submit the form.
- Proceed manually by uploading the scanned Copy- If you have opted for a manual process please upload the scanned copy of the form in the user module and then proceed further with the submission.
Click on continue for final submission of the form. You will receive a registration number of the form filled by you.

The flow of the form will remain the same, please refer the point (“About Manual and Online Process of eForms Portal”)
### DNS User Subscription (File upload):

<table>
<thead>
<tr>
<th>Domain Name System Services</th>
</tr>
</thead>
<tbody>
<tr>
<td>o DNS User Subscription Through (Manual Entries)  o DNS User Subscription Through (File Upload)</td>
</tr>
</tbody>
</table>

### DNS Entry Details

**NOTE:** Please read all instructions carefully and select the required services. *(Refer: Steps & Guidelines for DNS Entry)*

- DNS entry request only on NIC Private/Public IP Pool (164.100.XX) and NIC IPv6 addresses will be entertained
- Entries marked with asterisk (*) are mandatory
- First confirm MX pointer (mailgovnic.in) from Mrs. Rojeshwari/ Mrs. Seema Khanna (rajp@nic.in/seemac@gov.in) if related to NIC Mail Service
- Kindly forward sub level domain entry (related to .gov.in) through support@registry.gov.in
- NIC Domains are NOT allowed for PSUs (Public Sector Undertaking).

#### Request For:

- o NEW
- o MODIFY
- o DELETE

**NOTE:** Please read all instructions before uploading the file

- All the columns heading are mandatory in CSV file
- Download the sample file then do the entries.
- DNS URL is mandatory field.
- Maximum number of rows accepted at a time is 3000. Please upload CSV file with maximum 3000 rows only.

▲ Click here to download Sample CSV-Format for (new/delete).

### Please Select Your File

- Select File
- Browse

### Web Server Location

- Alphanumeric, whitespace and [ ,.-/#/()] allowed

### Other Record Addition:

-  o MX
-  o PTR
-  o SRV
-  o SPF
-  o TXT
-  o DMARC

#### Enter Captcha

- Captcha: 4VwDyP
- Enter Captcha

---

**NOTE:** Please read all instructions before uploading the file:

- All the columns heading are mandatory in CSV file
- Download the sample file then do the entries.
- DNS URL is a mandatory field.
- A maximum number of rows accepted at a time are 3000. Please upload CSV file with maximum 3000 rows only.
- You can upload a file for new requests, modify the request or delete request.
- You can also download the sample .csv file for all the three cases:
  - Select your file from your desktop. Click on browse to select your file.
  - Enter your web server location.
  - Select the records from the list.
  - Enter the Captcha value and “preview and submit” the form.

You will receive a confirmation along with a registration number of the form submitted. Use the registration number to track your application form.

For Process User subscription refer the URL: https://gem.gov.in/userFaqs

For Primary Users:

Please find the GeM Subscription Procedure mentioned below for Primary applicant. Send the endorsed letter signed by the deputy secretary or undersecretary level of the ministry under which the organization belongs to and forward the same to gemapplicant@gem.gov.in. After the approval, the applicant will get an email id in the domain @gembuyer.in.

Once the primary email id is created, send a CSV file of the accounts which are to be created by GeM Subscription in the given format which is mentioned in the trailing mail.

- S No.
- First Name
- Last Name
- Designation
- Role (HOD/Buyer/Consignee/both/PAO/DDO)
- Name of Ministry/Department/Organization
- State/City
- Mobile No (10 digits)
- Complete Office Address
For Secondary Users:

Fill the GeM User Subscription form given on eForms portal.

1. Read the instruction window pop up and click on OK button to proceed.
2. Select “GeM Subscription”
3. Enter the GeM User Subscription details:
   4. In the organization category:
      4.1. Select Central PSE
      4.2. Select the controlling ministry from the drop down
      4.3. Select State PSE
      4.4. Then select the state of posting from the drop-down and select the district name (where the applicant is posted) from the drop-down.
4. Enter the forwarding officer details.

Note: Your application needs to be forwarded by an officer at the level of Under Secretary or above and having a government email address.

For example, @nic.in/@gov.in. Once approved by the Forwarding Officer, your request will be forwarded to gemapplicant@gem.gov.in. Please contact GEM support (gemapplicant@gem.gov.in) for any queries.

Central PSE

State PSE

1. Enter the forwarding officer details like:
   - Email address
   - Name
   - Mobile number
   - Telephone number
   - Designation
   - Address
If you are a primary user/HOD on GeM Portal click on YES or click NO.

2. Enter the personal details:

3. Date of retirement

4. Select the role to be assigned from the drop-down

5. Enter the preferred email address 1&2 (refer the email address guidelines for the creation of email address)

6. Enter your projected monthly traffic.

7. Enter the Captcha value and proceed further.
**IMAP/POP**

Enter on your [https://eforms.nic.in/](https://eforms.nic.in/) browser.

1. Enter your credentials to log in to the portal.
2. Select your form (IMAP/POP) from the left-hand panel of the dashboard.
3. Click on IMAP/POP form to proceed with your request.
4. Read the instructions carefully given while filling the form.

5. Check the protocol which is to be enabled on your device i.e. IMAP/POP.
6. As per your selection, the protocol will be enabled on your device.
7. Enter the Captcha value to proceed.
8. You can now preview the form and can edit or submit the form. Accept the terms and conditions to submit the form.
9. The form will be submitted and will be forwarded to the reporting officer for necessary action. After the approval of the reporting officer, the request will be forwarded to the concerned NIC coordinator.
10. In the case of a delegated administrator, the form will be forwarded to the respected delegated administrator and IMAP/POP will be enabled by the DA.

### Imap Pop Protocol Enable Details

Please check the Protocol to be enabled:

- [ ] IMAP
- [ ] POP

- [ ] I agree to Terms and Conditions
11. A confirmation mail will be sent to the applicant after the request has been completed.

**IP Change Request**

1. Enter [https://eforms.nic.in/](https://eforms.nic.in/) on your browser.
2. Enter your credentials to log in to the portal.
3. Click on “Our Services” forms given on the left pane of the dashboard.
4. Click on IP Change Requests form to proceed with your request.
5. Read the instructions carefully given while filling the form.
6. Select your preference:
   1.6.1. Change IP
   1.6.2. Add IP
When you click on change IP and proceed, you will get three options to make your choice i.e. change IP for LDAP Auth, relay and SMS Service.

If you have made the choice as LDAP auth you can change up to 4 IPs. Enter the Captcha and proceed.

Now, if the preference is to change the IP for relay service, you will have to enter the application name along with the old IP address, also select the server location from the drop-down menu.

Now, you can change up to 4 IP’s. Enter the Captcha and proceed.

For a change of IP in case of SMS service enter the account name along with the old IPs. You can change up to 4 IP’s in this case also. Enter the Captcha and proceed.

After clicking on the submit button you can view the preview of the form. Click on accept terms and conditions and submit the form. The form will be sent to the reporting officer for necessary action.

You can preview and submit the form. The application can be processed in two ways:

- Proceed online without Aadhar *

*In this process the form will be sent to the concerned reporting officer for approval, after which the form will be forwarded to the respective NIC coordinator/Delegated Administrator for necessary action. The admin will then process the request and a confirmation SMS and email will be sent to the applicant with the credentials or with information that Wi-Fi has been enabled on your device.

- Manually (In this process you will have to download the form and proceed. The process mentioned below.)

After clicking on the submit button you can view the preview of the form. Click on accept terms and conditions and submit the form. The form will be sent to the reporting officer for necessary action.

You can preview and submit the form. The application can be processed in two ways:

- Proceed online without Aadhar which goes through a process (About Manual and Online Process of eForms Portal) and a confirmation SMS and email will be sent to the applicant with the credentials or with information that Wi-Fi has been enabled on your device.
o Proceed Manually

➢ Similarly, in case of Add IP there are three options to select namely LDAP auth, relay service, and SMS

➢ You will have to enter the IP address which you want to add with all the service. The maximum limits of adding IP’s are up to 4.

➢ For LDAP Auth just add provide the IP address which you want to add.

➢ For RELAY service mention the application name, old IP address and server location along with the IP address which is to be added.

➢ For SMS Service mention the account name for which IP has to add. The maximum limit of adding IP address is 4.

➢ Enter the Captcha value and proceed with the preview and submission of the form.

➢ You will see the preview of the form which you can submit or edit after accepting the terms and conditions.

➢ The form will be submitted and it will be forwarded to the reporting officer for necessary action.
SMS Services

SMS service allows you to register for following services PUSH / PULL / OBD / MISSED CALL / OTP SERVICE / QUICK SMS.

Step 1
SMTP Gateway

SMTP Service allows you to register for Relay (SMTP gateway) service to send emails from applications (only outgoing mails)
Mobile Update

Update Mobile Service allows you to Update your Mobile Number in NIC central Repository against the your ID.

NOTE: Please read all instructions carefully.
- Users are requested to install the personal firewall software to secure their machine and e-mail traffic.
- Users are requested to install the Antivirus software with latest pattern update periodically and OS patches in their system.
- If using Outlook, Outlook Express, Mozilla Firefox on Microsoft WINDOWS, please apply the appropriate patches announced by the Microsoft/ Mozilla from time to time.
- NIC will take all possible measures to prevent data loss, however, due to unforeseen technical issues, if the same happens, NIC cannot be held responsible.
- User is responsible for his/her data. In case he/she accidentally deletes data, he/she will not ask NIC to restore it.
- In case of bulk Mobile update please provide the list of email accounts in excel sheet with fields = Email Address, Mobile Number.
- Contact our 24x7 support if you have any problems. Phone 1800-111-555 or you can send mail to servicedesk@nic.in

Your mobile number in our portal is: +919716848524

Country Code *
India (+91)  

Mobile Number *
Enter the Mobile Number 10 digits for india [e.g.: 9999999999] OR [8-12]

Captcha

Enter Captcha
