WORK LOAD RETURN (WLR) IN RESPECT OF CONTRACTORS ENLISTED IN CLASS 'S', 'A' TO 'D' & UN-ENLISTED CONTRACTORS HAVING WORK LOAD OVER RS 50.00 LAKH AND UPTO RS 15 CRORE & LIST OF CONTRACTORS HAVING NO WORK LOAD BUT BANNED FOR ISSUE OF TENDER FOR QE MAR 2024

1. A consolidated WLR in respect of this command is enclosed herewith. The WLR consists of following parts:-

(a) **Part I** contains list of **539 Nos.** working contractors enlisted with **HQ CECC/ un-enlisted contractors** or enlisted with other commands **who are considered capable of handling more work load or who are not considered suitable for taking further work load** as per remarks given therein.

(b) **Part II** contains list of **106 Nos.** contractors having no work load at present but banned for issue of tenders due to reasons mentioned against them.

2. Remarks under column 7 of Part I and column 5 of Part II have been approved by Chief Engineer Central Command.

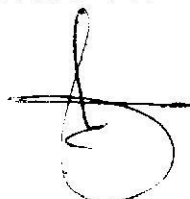

3. If any firm against whom adverse remark(s) is/are endorsed in this WLR approaches a court of law against the remarks and obtains a stay order in it's favour or a favorable order for consideration/opening of tender(s), then bid(s) of such firm may be considered/opened to avoid contempt of court and the facts of the case be intimated to this HQ.

4. There are many firms included in Part I & Part II against whom adverse remarks have been endorsed **only** on account of change in constitution, not yet approved. The remarks against such firms shall be deemed amended to 'Yes', on the date the letter approving the revised constitution is issued by this HQ. Further, pending approval to revised constitution by this HQ, such firms may bid as un-enlisted contractors and their bids shall be admitted/rejected by concerned Accepting Officer(s), considering the following points:-

(a) The bids submitted by such contractor may be admitted if they submit all the requisite documents as an un-enlisted contractor and fulfill the eligibility criteria as per NIT and meet the requirements stipulated in section 1.20 of Manual on Contracts, 2020. Their bid shall however not be considered if they have been banned for changing the constitution without prior approval of Registering Authority or any other reason.

(b) The bid submitted by legal heir(s) of a sole proprietorship firm after demise of sole proprietor shall not be admitted as a sole proprietor firm ceases to exist after the death of sole proprietor.

5. It may be noted that the relaxation for consideration of bids submitted by enlisted contractors (whose enlistment was valid upto 31 Dec 2020) without their renewal of enlistment, was lastly extended upto **31 Jul 2022** vide E-in-C's Br. letter No. 66546/P-1/Renewal/2021-2025/237/E8 dated 31 Mar 2022. This fact shall be kept in mind by all tender issuing authorities, while examining the bids submitted by contractors, whose renewal of enlistment for cyclic period 2021-2025 is not yet done, even if 'Yes' remark exists under Col 7 of Part I.

6. The WLR is being uploaded on web site "www.mes.gov.in" which can be referred by all concerned. Hard copy of this report is not being circulated. In case of any grievance against adverse remark(s), the contractor may approach the concerned Accepting Officer for change/amendment to the remark about his performance. This HQ will consider the case only if received through concerned Chief Engineer with proper justification.
